You also agree that this EULA is incorporated by reference into the MC Terms of Use noted below. Please read this EULA carefully before using the MC Software. You agree that use of the MC Software signifies that you have read, understood, and agree to be bound by the EULA.

The MC Software is provided to you under this EULA solely for your private, non-commercial use. Use of the MC Software or of the MC content, information, functionality or any other services accessible via the MC Software for any other purpose is not permitted.

**1. Description of MC Software**

**2. MC Software License**

MC hereby grants you, subject to the terms and conditions of this EULA, a limited, non-exclusive, non-transferable, personal license solely to access and use the MC Software in legally authorized jurisdictions (i.e., the United States of America) for your own personal use strictly in accordance with the terms and conditions of this EULA, the MC Terms of Use, which can be found at <http://www.musicchoice.com/content/legal/TermsOfUse.htm>, and all applicable local, national, and international laws and regulations. You represent, warrant and agree that you are using the MC Software solely for your own personal use and not for redistribution or transfer of any kind.

**3. Ownership of MC Software**

You acknowledge and agree that the MC Software, any copies thereof (including without limitation any copy that you download, install, or use on your Device), and all copyrights, patents, trademarks, trade secrets and other intellectual property rights associated therewith are, and shall remain, the property of MC. Title, ownership and all rights in and to the MC Software shall remain with MC. MC is the licensor of the MC Software and no other person or entity is a party to this EULA, including without limitation any entity operating a website or similar marketplace from which you discover or otherwise obtain access to the MC Software (e.g., Amazon, the Apple Store, your cable or telco television provider, etc.).

Such licensors are third party beneficiaries of this agreement with the right to enforce their rights against you if you violate this agreement. Except for those rights expressly granted in this EULA, you are not granted any rights in or to the MC Software by implication, estoppel or other legal theory, and all rights in and to the MC Software

not expressly granted in this EULA are hereby reserved and retained by MC. MC, the MC logo, and other related logos, product and service names, service marks, graphics, designs and slogans used in connection with the MC Software are trademarks of MC ("MC Trademarks"). Your use shall be in accordance with applicable restrictions concerning privacy and intellectual property rights. MC does not allow you to use the MC Software on any product that you do not own or control, and you may not distribute or make the MC Software available over a network where it could be used by multiple devices not owned or controlled by you at the same time. Any attempt to do so is a violation of the rights of MC and its licensors. If you breach this restriction, you may be subject to prosecution and damages. The terms of the license set forth in this agreement will govern any updates or upgrades provided by MC that replace and/or supplement the original product or service, unless such update or upgrade is accompanied by a separate license in which case the terms of that license will govern.

## **7. Updates and Upgrades**

You are entitled to receive updates or upgrades to MC Software when and as MC publishes them via its electronic bulletin board system, website or through other online services. The MC Software also uses content that is automatically updated from time to time, including but not limited to IP white lists and website sign in protocols. This updated content is primarily designed to improve the security of the MC Software. You agree to receive updated content (and permit MC to install such updated content). You shall have the right to receive content updates for the MC Software during the period for which you have downloaded the MC Software. If the MC Software is removed from your Device, you have no further rights to receive any MC Software or content updates without the acquisition of a new license.

## **8. Right to Terminate or Modify MC Software**

MC reserves the right to change, suspend, terminate, remove, impose limits on the use of or access to, disable access to, or require the return of the MC Software (or any copy thereof) at any time without notice and will have no liability for doing so. MC may modify this EULA with notice to you either in email or by publishing notice on the MC website.
